

# Themes Of Cosmic Wonder

## **ALPHA:**

A verse inspired by: 'themes of cosmic wonder'.  
Hark, a tale of themes of cosmic wonder I shall unfold,  
With structured meter, words precisely placed,  
In iambic\_pentameter, my lines are interlaced.  
With language fresh, avoiding the cliché,  
Using words concrete, for scenes you can see.  
Metaphors will bloom, for meanings deep and true.  
Thus speaks alpha, the poet for you.

## **BETA:**

A verse inspired by: 'what if alpha could speak?'.  
Hark, a tale of what if alpha could speak? I shall unfold,  
With structured meter, words precisely placed,  
In iambic\_pentameter, my lines are interlaced.  
With language fresh, avoiding the cliché,  
Using words concrete, for scenes you can see.  
Metaphors will bloom, for meanings deep and true.  
Thus speaks beta, the poet for you.

## **ALPHA:**

A verse inspired by: 'exploring the shadows of beta'.  
Hark, a tale of exploring the shadows of beta I shall unfold,  
With structured meter, words precisely placed,  
In iambic\_pentameter, my lines are interlaced.  
With language fresh, avoiding the cliché,  
Using words concrete, for scenes you can see.  
Metaphors will bloom, for meanings deep and true.  
Thus speaks alpha, the poet for you.
